āwhā

he tangata, he tāngata rānei
ko rātou anake ngā kanohi
ora o tētahi iwi; he morehu

ka tītahataha, ka hūkokikoki,
kāore e tautika (mō te waka)

he koroua, he kuia

he tohu hirahira o te
taiao i tētahi wāhi
(he maunga, he rākau,
he toka)

e ū tonu ana ki tētahi mahi uaua,
ki tētahi mahi mōrearea, ahakoa
rānei te matakū; e manawanui ana

he tangata e hono ana
ā-whakapapa nei
ki tētahi atu

he tangata ka mahi i runga
i ngā waka haere moana

ka takahi haere i te nuku o te
whenua, i te nuku o te moana,
ka āta tiro tiro haere; ka āta
whāwhā haere i tētahi mea,
kia mōhio ai tōna āhua

ka hoatu ingoa
(ki te tangata, ki te wāhi,
ki tētahi mea rānei)

he waka takererua, arā,
e rua ngā wāhanga matua
o te tinana o te waka

ki te pēnei ki tētahi mea,
ka ūhia te katoa ki te oneone

He hau tino kaha, he ua anō.
He paraawa, he tūpuhi,
he marangai
